OTHER REMINDERS:

- 1.) TEAM CAMPS - Please set up your camp in an area in the park. Be sure to STAY in your area.
- 2.) Please check in with the official between 5-10 minutes prior to your race.

3.) We will be using a finish chip system. Coaches should collect the CHIPS (TAGS) OUTSIDE of the FINISH AREA!

- CHIPS (TAGS): Coaches must collect all of the chips(tags) from the athletes and return them in the provided envelope into the crate located by the white building near the finish line. There will be a crate that says "Please Place Tags Here." YOU WILL BE CHARGED \$5 for every chip that is not returned! Do not return the bib; just return the chip.
 - ◆ For the race, chips should either be attached to the side of the athlete's shorts. Each athlete will have 2 chips and should put one chip on each short leg. **Just make sure that the chip is visible and that the pin only goes through the hole on the tag itself. Also, make sure the chip is not underneath their jersey top...placing it on the bottom portion of their short leg works best.**

4.) No spectators or coaches are permitted on the track in the finish area. Only volunteer workers and race personnel will be allowed on the track at the finish line. As the athletes finish, they must get away from the finish line to allow other competitors to finish without interference.

5.) All race results will be posted on Baum's Page.

We will do our best to make this season a positive and safe experience for our athletes! Best of luck!
