

Jackson Cross Country

“HexSpacular” Meet

2023

We are not accepting any additional teams into the meet, we are full for 2023 but appreciate your interest with our meet

Goal: Our goal is to run a quick, fun, and relaxed meet. Originally this started off as a Tri Meet with our friends at Wooster and Hudson as a break from the large Invitational meets. We want to welcome new teams to the mix but maintain the basic ideas that created the event.

Date: Saturday September 16th

Registration: Your School has been registered as part of our meet by way of the DragonFly Max Athletic system (double check with your AD)

Timing Company: We will be using Baum’s Page. Please make sure you register your team by 11:30am Sept. 14th.

Location: Jackson Memorial Middle School (location of JXC course)

Teams: Canton South, GlenOak, Hudson, Jackson, Lake Center Christian, Louisville, Massillon, Olmsted Falls, Wooster Saint Joseph Academy(girls high School only)

******Yes, I am aware of the irony of the HexSpacular as we are way past 6 teams- a better name would be the multiSpacular Meet**

Time Schedule:

9:00am	Boys Race (Varsity and JV together) 5K
9:40 am	Girls Race (Varsity and JV together) 5K
10:30 am	Boys Middle School Race 2 miles
