September 02, 2017

Mentor High School

Mentor, OH 44060

Dear Coach,

The 45th annual Mentor Cardinal Classic will be on September 2nd, 2017. We look forward to welcoming you to our cross-country course at Garfield Park in Mentor, located on the north side of Route 20 next to the fire station, east of the Great Lakes Mall.

We will use Baum's Page for online registration and race results. You may only enter one varsity team in the varsity race. You may run up to 9 runners in the varsity race but normal scoring rules will still apply. If you have a complete team, you must run in the varsity race. If you have middle school teams entering the meet, please make sure they register on Baum's Page as well. We are limiting the invitational to the first 20 teams., as this event is growing. The following page has a contract that you will need to send to our athletic department by July 30th if you plan on competing in the Mentor Cardinal Classic.

The 44th Mentor Cardinal Classic was a huge success with many outstanding teams attending the meet. This will be the sixth year we have run our new course, which has been getting rave reviews. Last year's tennis court adjustment made for an even better race experience. This year we will continue to adjust, making the course smoother and faster, while keeping it exactly 5000 meters. There were several teams and numerous individuals who competed in last year's meet that finished the post season at the state meet: St. Thomas Aquinas Division 3 Runner-Up, Gilmour Girls (3rd), Brunswick Girls (4th), Medina Girls (6th), Medina Boys (5th) and Ashtabula Edgewood (19th). We hope your team will be attending our meet and will be enjoying much success during the 2017 cross country season.

Please pass this information on to the middle schools if needed.

If you have any questions, feel free to call or email. Best of luck with your season.

Sincerely,

Bill Dennison
