Race Description:

This is a very spectator friendly course that has multiple loops around or near the football stadium. Athletes will run mostly on grass with a short 300m finish on the track in the stadium. The course features rolling hills and nice stretches of flat racing as well. Athletes will loop around the baseball fields twice before heading out to the small hayfield loop. After the small hayfield, athletes run through the “tree tunnel” and head out to the large hayfield loop. Athletes will pass in front of the crowd again before entering the small hayfield a second time. After completing a small loop around the softball field, athletes will head towards the stadium where they will finish on the track.

Spike Length:

Due to finishing on the track, we ask that athletes please limit their spike length to ¼ inch.

Spectator Admission:

We will be charging \$7 for adults and \$5 for students.

T-Shirts: T-shirts will be available for purchase

Concessions: Concessions will be available.

Spectator Information:

Spectators are not permitted near the start line, on the pathway between the stadium and the hayfields.

Spectators ARE permitted on the track and are encouraged to line the tape leading up to the finish line to encourage athletes.

Parking:

There will be parking available at Mount Gilead High School, Park Avenue Elementary School and the Mount Gilead Board of Education.

Athletic Trainers:

There will be an athletic trainer located at the finish line of the race.

Team Camps:

There will be designated areas for team camps. Those areas will be the baseball outfield, the softball outfield and the high school courtyard. There will be no team camps permitted on the practice football field or within the football stadium.

Chip Timing:

This race will be scored and timed via chips. Your race packets will contain your athlete's chips. Please make sure that your rosters are updated when you finalize your submissions. Each chip has a cost, and we want to avoid getting chips for athletes not competing.
