Entries

Check the list of runners included in the packet. If you have any additions, changes, or misspellings, please report them to the workers. Drops do not need to be reported.

Race Numbers

Each of your runners is assigned a number, which you'll find on your roster. Make sure you use the number in the column marked "Comp#." Coaches should mark each of their own runners with a marker on their **RIGHT HAND** with a **PERMANENT MARKER** as shown.

Please be sure to mark your athletes clearly & consistently. It is very important that the finish line personnel can read off the numbers & move the runners smoothly through the chute.
