To have a successful meet, we are asking you to provide your athletes with the following information:

1. Contestant Materials & Verification Form: To obtain your packet, you must present a signed copy of the OHSAA Cross Country Coach's Verification Form (download from Baumspage.com, print & sign). Packets will not be distributed before the morning of the meet – but all forms and information will be available at Baumspage.com.
2. Results: Preliminary & Unofficial Results will be posted to www.baumspage.com immediately after each race. Coaches will have 30 minutes after release of the results to file an appeal with the Referee. Official results will be read over the loudspeaker after the appeals period is over and the Referee has certified the results.
3. Contestant Numbers: Contestant numbers and pins will be provided in your packet. Numbers must be worn on the FRONT of each contestant and securely fastened with four pins. Every athlete must run with the assigned number.
4. Contestant Chips: Chips will be provided in your packet. Chips must be securely fastened (double knotted) to EACH shoe on EACH athlete. Every athlete must run with his/her assigned chips (the number on the chip matches the contestant's bib number.) Chips should be returned by the coach to Chip Tent next to registration before leaving the property.

5. COACHES' RESPONSIBILITY: IT IS THE RESPONSIBILITY OF EACH HEAD COACH TO ENSURE THAT EACH ATHLETE WEARS THE ASSIGNED BIB NUMBER AND CHIP.

6. NON-RETURNED CHIPS: Coaches are responsible for all chips not returned by the end of the meet. Schools will be billed \$25 for each chip not returned.

7. Awards: All awards will be distributed by the OHSAA.

8. Uniforms: Please review with your athletes the OHSAA Uniform Regulation Checklist (available at Baumspage.com) and all current uniform rules. Athletes who compete in an illegal uniform are in violation of these rules and are subject to disqualification. It is the responsibility of the athletes and coach to have each competitor dressed properly according to rule before competition begins. The start of a race will not be delayed to permit an athlete to change into a legal uniform. All final decisions about uniforms rest with the Tournament Referee.
