HOW TO BE A GREAT SPECTATOR!

Here is how to be the best spectator while keeping our athletic competitions safe and ensure that we may continue to have competitions throughout the whole 2020 Fall Athletic Season:

- Please limit spectators to the student-athlete's household or immediate family, 2 per family
- Conduct symptom self-assessment prior to traveling to the competition venue. All those traveling to the competition must ask the following questions and do a temperature check BEFORE departing for the competition site:
 - Do I have a fever of 100.4 degrees Fahrenheit or higher?
 - Do I have a cough?
 - Do I have a sore throat?
 - Do I have shortness of breath?
 - Have I been in contact with anyone with a confirmed case of COVID-19 in the past 2 weeks?
- Anyone answering YES to any of the questions above MUST stay home. Do NOT come to the competition.
- All spectators at the competition site MUST wear a face covering at ALL times.
- Spectators may arrive 15 minutes prior to the start your runner's race and must depart 15 minutes after the race has ended.
- If a parent is driving their student-athlete to or from the competition site, they must stay in or at their vehicle until 15 minutes prior to the start of the race and return to their vehicle 15 minutes after the race has ended.
- No spectators in the team camp area at any time.
- All spectators at the competition site MUST engage in social distancing of at least 6 feet at all times unless they are from the same household.
- Spectators must NOT congregate together except if from the same household.
- Please be respectful of all event staff and follow their directives without question.
- Spectators are not permitted on the track or the football field.

We understand that change is hard.

However, the goal for the 2020 Fall Athletic Season is to allow our hard-working student-athletes to enjoy actually having the competitions they train so hard for every day.

Thank you for all of your patience and cooperation.
