

# ***2020 CROSS COUNTRY CHAMPIONSHIP***

**SATURDAY      OCTOBER 17, 2020**

**Hedges Boyer Park**

**491 Coe Street**

**Tiffin, OH 44883**

We are excited to once again host the SBC Cross-Country Championships at Hedges-Boyer Park, the site of the Tiffin Cross-Country Carnival and the OHSAA Regional Cross-Country Meet.

1. There are no open races. In all high school and middle school races, you may enter all or your runners.
2. We will be using baumspace for entering your rosters. The deadline for entries is Monday, October 12 at 8:00 PM.
3. Team awards will be distributed at the conclusion of each division's boy's and girl's races.
4. Schools are asked to keep team tents and athletes away from the residential side of the park.
5. A medical tent will be staffed by athletic trainers. However, if an athlete is transported to a hospital, it will be at their cost.
6. Due to the current regulations, water will not be provided for runners at the finish line. We recommend having a team representative in the finish line bullpen to provide waters for your respective runners.
7. The start and finish lines are located in the upper oval of the park. Starting boxes will be assigned and identified on your team packet. The course will be identified with white lines.
8. Buses may enter at either entrance to Hedges-Boyer Park (Coe Street or Summit Street). Runners will be dropped off in the designated area located in the upper level of the park. Buses will be parked at the lower level of the park, located across from the softball fields.
9. There is limited parking inside the park. Minimal shuttle service will be available into the park from both entrances. There will be handicap parking inside the park, from the Summit Street entrance only.
10. Admission is \$5 per spectator, ages 6 and up. There will be no senior citizen discount. Only SBC Administrator passes will be accepted.
