

2018 “The” Tiger Classic Final Instructions

1. Your starting box has been assigned. Please check the front of your packet. A detailed list of starting boxes are also included in your packet.
2. Be certain to provide your runners with the correct chip and bib number! A chip and bib for each athlete registered are in your packets.
3. You **DO NOT** need to report any athletes who you registered that will not be running, just return their chips to the exit area of the finish line in the chip buckets so we get the chips.
4. You **MUST** report any additions of an athlete to your team to the timing crew at the finish line at least 1 hour prior to race time!
5. It **DOES NOT** matter which shoe athletes wear the chip on! Just be sure it is secure and is not going to come off!
6. After finishing the race, runners will be **REQUIRED** to turn their chips in at the exit of the finish area before they are allowed to leave the area.
7. Coaches **MUST** turn in all unused chips to the finish area. They can be put in the bucket with the other chips runners turn in at the end of races.
8. Runners 1-16 in each race will receive their awards on the podium at the scheduled awards time.
9. Runners 17-25 in each race can pick up their medal at the awards table anytime throughout the day! Just simply report to the awards table and state the athlete’s name and what place they were, and in which race.
10. If you have questions throughout the day do not hesitate to call meet manager Matt Schock (419) 618-8974!
