

"The" Tiger Night Classic

September 26, 2020

13343 U.S. 224 Attica, OH 44807

Admission to the event is \$5.00 per vehicle.

Hello Coaches and Athletic Directors!

This year Seneca East will be hosting its inaugural nighttime meet! We are extremely excited to have this opportunity, and have been working extraordinarily hard in an attempt to cover all of the details. The course is a brand new course, different from the Tiger Classic course (if you have run at that meet), and it starts behind the baseball/softball fields, runs onto the track, then adds a loop in the woods, before coming back along the township road and heading onto the track to finish under the stadium lights in front of the grandstands! On the day of the race, the course will be clearly marked and painted as if it's a highway. Course maps will be posted to Baumspage this week, and will also be in each of your packets at the meet. Due to the limited radius we were able to pull from, this year's meet will only be one division and four races (one race for each level and gender). All races will be unlimited entries for each team, and there will be no open races! We will be using electronic chip timing! Please ensure you turn in all used and unused chips at the awards table! Any chip not turned in will result in a \$25.00 fee sent to your school athletic director. We truly hope you enjoy your evening at Seneca East! This is our first year doing this, and we are positive there will be things to learn and grow from. With that being said, any feedback is more than welcome, and will be reviewed for future meets as our ultimate goal is to put on a first-class event for everyone!

Teams (14)

Edison, Elmwood, Elyria Catholic, Genoa, Hopewell Loudon, Lakota, Mansfield Christian, Northwestern, Ontario, Otsego, Plymouth, Seneca East, Triway, Upper Sandusky

Awards:

Award winners will not be recognized on the Tiger Classic Podium, to help limit the congregation of large groups of individuals. The podium will still be up, and athletes are welcome to take their own pictures throughout the evening while minding recommended social distancing guidelines.

- Awards are to be picked up at the awards area located next to the podium. Coaches and/or athletes wearing a mask are welcome to pick up awards.
- Coaches, please be sure to check at the awards area prior to leaving the meet in order to ensure all of your school's awards have been collected.
