Coaches Note: Due to the construction of our upcoming Chieftain Center, we have relocated the start/finish line to our practice band field. We will have a roped off finish chute. Spectators should be able to see athletes multiple times during the race from this field.

Race Style: We will be using racing bibs and pull tags. Packets can be picked up at the finish line tent.

If there is rain, our course is muddy! Please encourage your athletes to be prepared for these conditions.
