

SPECTATOR INFORMATION
BOARDMAN SPARTAN CROSS COUNTRY INVITATIONAL

Hello, Coaches!

Thank you for entering this year's Spartan Invitational. Of course, we are modifying normal procedures to pull 2020's event off. This communication deals with Spectator Modifications and Expectations only. We ask that you forward this to all your parents who will/may be attending our event and communicate to them the need to help us meet the expectations of our local health department.

Bullet pointed spectator information is below. Please review it carefully. Information regarding competition and athletes will come later this week. However, if you have any questions, feel free to email me at dave.pavlansky@boardmanschools.org or call my cell phone at (330) 921-9583.

WHO CAN COME & HOW

- Teams are limited to 30 "family and loved ones" spectators. How you split these up among your 10 competitors is up to you.
- Each spectator ***must purchase in advance an online ticket***. You will be emailed a unique code good for only 30 purchases. So, you'll have to be sure each family purchases only their allotted amount. The code will come from blake.lantz@hometownticketing.com
- QR codes are their entry tickets and will be scanned before admittance to our parking area. QR codes must be saved to their phone or printed and presented upon arrival.
- Tickets are \$5.00 per spectator exclusive of small processing fees. Please know our personnel costs for running the meet have basically tripled due to its necessary extended length.
- Non-competing athletes are not permitted to attend. Admission for non-ticket bearing spectators will be delayed for verification by their team's coach.

SPECTATOR EXPECTATIONS

- Have QR codes ready to scan upon entry
- Remain in your vehicle until 15 minutes before the published start time of your race.
- Return to your vehicle and leave the property within 15 minutes of the end of your race.
- Wear masks and socially distance from those not in your family unit, especially at the start and finish areas.
- Spectators are not permitted to visit team camps or to be near the start or finish areas.
- At all times, we ask that spectators respectfully comply with any reasonable request from meet management.
