#### Reminders

##### **Tickets/Parking**

Parking passes must be purchased online in advance. Please inform your parents. The link is <https://spartaninvite.com/tickets/>

##### **Bus Parking**

Bus parking is as usual. Busses should use the entrance to Glenwood Junior High off of Glenwood Avenue. It is situated just north of the woods. Busses should not enter the double drive at Boardman High School. Nor should they enter from Market Street onto Nisonger. Doing either of those things will delay your arrival.

##### **Upon Arrival at BHS**

Send one coach to the registration tent. Registration will open at 7:30 a.m. on Saturday.

##### **Conduct on the Course**

Tents are permitted again!

##### **Conduct at Team Area**

##### **Conduct at Team Area**

*Teams are still responsible for their own water & ice.* These should be stored at the team area. There will be no water tables at the finish line.

We can run out again!

We can huddle again!

*Teams should arrive and enter their assigned box no later than 15 minutes before the published start.*

##### **Conduct at the Finish**

*Coaches may use their packet envelope as a pass into the finish area.* We ask coaches to assist us in clearing their athletes relatively quickly from the finish area.

No water tables will be present.

*Chips are to be taken off at the team camp, not in the finish area.*

*There is to be no flopping.* Athletes are to immediately leave the area. Athletic Trainers and MD's from Akron Children's Hospital are at the finish area for those who have a serious medical issue.

**Conduct Post-Race**

Athletes should quickly exit the finish area to the team area to remove their chips and begin their cool down.

*Coaches should return chips in their original container to the Chip Tent to receive their Coaches' Gift.*

**Conduct Post-Race**

We will invoice your AD for \$25 per chip. So, turn your chips in.
