## Boardman Spartan Cross Country Invitational

### September 17, 2022

*There will be no printed results. Unofficial results will be uploaded online to Baumspage.com immediately after each race.*

#### **Reminders**

##### **Tickets/Parking**

Parking passes must be purchased online in advance. Please inform your parents. The link is <https://spartaninvite.com/tickets/>

##### **Bus Parking**

Bus parking is as usual. Buses should use the entrance to Glenwood Junior High off of Glenwood Avenue. It is situated just north of the woods. Buses should not enter the double drive at Boardman High School. Nor should they enter from Market Street onto Nisonger. Doing either of those things will delay your arrival.

##### **Packet Pick Up**

Registration will open at 7:30 a.m. on Saturday. The registration tent is at the south end of Glenwood Jr. High's front lot.

##### **Water & Ice**

Water tables are back and located near the exits to the finish chute.

##### **Check In**

*Teams should arrive and enter their assigned box no later than 15 minutes before the published start.*

##### **Conduct at the Finish**

*Coaches may use their packet envelope as a pass into the finish area.* We ask coaches to assist us in clearing their athletes from the finish area and to help us identify any serious medical concerns.

Athletes will be able to grab water on their way out

*Chips are to be taken off at the team camp, not in the finish area.*

*Refrain from flopping.* This is a good habit. Please emphasize this with your athletes. Athletic Trainers and MD's from Akron Children's Hospital are at the finish area for those who have a serious medical issue.

**Conduct Post-Race**

Athletes should quickly exit the finish area to the team area to remove their chips and begin their cool down.

*Coaches should return chips in their original container to the Chip Tent to receive their Coaches' Gift.*

**Conduct Post-Race**

We need to invoice your AD at \$25 per missing chip. So, just another motivator to turn them in and get your gift.

**RESULTS**

Will be posted on Baumspage once the race finishes.
