

RFID TAGS should be attached to the shoe so that they are easily detected by the antennas aligned on the finish line.

Once attached, the

TAGS should hang freely off to the side of each shoe.

TAGS should not be tucked inside the shoe or under the laces.

Right Foot Only!!

After the Race:

- **Shoe Tags must be returned to coaches after the race.**
- **Do not tear the tags!**
- **Coaches will put all tags in the provided sandwich bag and return tags to packet pickup to receive awards.**
- **Coaches do not need to return unused bibs.**
