HOW TO BE A GREAT SPECTATOR!

Here is how to be the best spectator while keeping our athletic competitions safe and ensure that we may continue to have competitions throughout the entire 2020 Fall Athletic Season:

- Please limit spectators to the student-athlete's household or immediate family, 2 per family
- Conduct symptom self-assessment prior to traveling to the competition venue. All those traveling to the competition must ask the following questions and do a temperature check BEFORE departing for the competition site:
 - ✓ Do I have a fever of 100.4 degree Fahrenheit or higher?
 - ✓ Do I have a cough?
 - ✓ Do I have a sore throat?
 - ✓ Do I have shortness of breath?
 - ✓ Have I been in contact with anyone with a confirmed case of COVID-19 in the past 2 weeks?
- Anyone answering YES to any of the questions MUST stay home. Do NOT come to the competition.
- All spectators at the competition site MUST wear a face covering at ALL times.
- Spectators may arrive 15 minutes prior to the start of your runner's race and must depart 15 minutes after the race has ended

- If a parent is driving their student-athlete to or from the competition site, they must stay in or at their vehicle until 15 minutes prior to the start of the race and return to their vehicle 15 minutes after the race has ended
- No SPECTATORS in the team camp area at any time
- All SPECTATORS must engage in social distancing of at least 6 feet at all times
- SPECTATORS must not congregate together
- Please be respectful of all event staff and follow their directives without question
- SPECTATORS are not permitted on the track or the football field

We understand that change is hard. We have seen spectators and student-athletes doing everything possible to ensure that we have a successful 2020 Fall Athletic Season. Let us together continue the work to enjoy the races today and for the foreseeable future!
