

53rd Annual Tiffin Cross Country Carnival  
September 10th, 2022

Bus Drivers,

Here are a few items to consider when driving runners to the Carnival.

- Buses may enter at Coe Street or Summit Street entrance.
- You may only unload and load runners in the designated areas in the circle. We must keep traffic moving with the large number of people in attendance at this event.
- Schools will be fined if buses are loading or unloading in any other places.
- No matter where you enter or unload, you will continue along the circle to Summit Street to the Bus Parking at National Machinery.
- There will be restrooms at National Machinery for your use.
- There is a hospitality section inside the barn for bus drivers with coffee, juice, and donuts along with plenty of picnic tables to sit at.
