

Thank you all for coming to the meet this year. It is going to be a great day of racing! I am looking forward to seeing all of your teams. I would like to give you some updates and reminders as well as some instructions. This is a summary of the frequently asked questions I have received recently and things you need to know.

- 1) **Packets will be at the finish line.**
- 2) **PLEASE pay attention to the team area diagrams.** You may choose whatever space you want within the area. There is plenty of room but please only set up in team areas
- 3) **We are going to try to do awards in the chute this year.** We will read the names of the top 15 in each race and the team results as soon as they are available. We may have to mail some of the individual ribbons. We are being told that there is a delay in shipping due to COVID.
- 4) **Make sure all athletes have their uniforms and/or warmups on and ONLY enter through the team gate near the bus lot. Coaches will only be admitted through this gate as well and must enter WITH THE TEAM they coach.** If they are going to drive separately, they need to go to the spectator gate and email me their name so I can add them to the pass list. We can't have 15 "coaches" entering through the spectator gate!

ELEMENTARY AND PARENTS FUN RUN - if you have elementary athletes who want to run the free race, send them to the press box for a waiver form or better yet print off ahead of time from baumspace.com!. Parents are welcome to escort smaller children. The 1 mile course is the same as the 5k course to start, then they will cut off part of the elementary loop then return to

finish on the football field. We will have volunteers route them and a gator to lead them. **They must turn in their waiver when they report to the start line!**

If something needs done and you don't know who to talk to SEE ME I will get it done for you!
Thank you for coming and HAVE A GREAT DAY OF RACING!
