

Eleventh Annual Unioto Cross Country Invitational

Interested teams: Please request a contract be sent on DragonFly from mcombs@gotanks.org. We will open to as many teams as possible, but please request a contract.

Course: We will open up the course a bit with 2 creek crossings and a grassy woods section. This area is very scenic, flat and will have good footing. We will have the crossings and course smoothed out and very runnable for this year. This will allow a more straightforward 2 lap course for varsity with modified 1 lap for MS. I use a road roller to help make it smooth.. Course map will be posted on baumspage.com before the meet.
