Course

Our 5k course is fun and challenging and offers a good mix of hills and straightaways. The first mile consists of two loops around the lower and upper playing fields. The second mile is almost entirely in the woods. The third mile begins on the service road leading down to the water treatment plant and the entrance to the hatchery trail. When runners exit the woods, they make another loop around the lower playing fields and finish at the crest of the upper playing field near the track and the outdoor field house. When runners exit the woods, they have about 1000 meters left to run. The one and two mile will be clearly marked with signs on race day. The course map is provided below (on the last page of this document) and will be posted on Baum's Page well in advance of the meet.

Box Assignments

Box assignments for all races will be posted on Baum's Page well in advance of the meet. Officials will also have copies of Box assignments on race day.

Safety

On the wooded trails, there are some big roots. We will make every effort to mark big roots with white spray paint. All the same, please advise your runners to watch out for roots as they run.

Restricted Areas

The soccer field and the football field are off limits. Teams may camp in the pavilion, on the freshman football field, or around the JV baseball field.

Online Entry

Online entry will be done via Baum's Page. All entries are due by 8:00 PM on Wednesday, October 13th.

Location and Parking

The meet will be held at the playing fields at University School's Upper School. The address at the Upper School is **2785 SOM Center Road, Hunting Valley, OH 44022**. Buses should come in the main school driveway, take a left at the first stop sign at the bottom of the hill, and follow the road to the playing fields. Coaches' packets will be available in the large pavilion overlooking the outdoor track. Buses should park in the gravel lot beyond the pavilion. There will be personnel on hand to direct buses to the appropriate area.

Awards

Individual awards will be given to runners before they exit the finish chute. Team awards will be distributed once team scores have been calculated. The awards ceremony will be held on the freshman football field behind the outdoor track field house. The ceremony will begin at approximately 11:30am.
