Note: The following regulations apply to all levels of tournament competition unless otherwise specified. These regulations were adopted by the Ohio High School Athletic Association Board of Directors on October 24th, 2024. Please check the OHSAA website for the most complete and up-to-date information.

The Executive Director's Office is authorized to modify these regulations when it is deemed necessary, subject to ratification by the Board of Directors.

11.4.2 Non-seeded wrestlers' lines on the bracket will become byes if a bye is legal.

11.4.3 If a bye is not permitted, a coin flip (or series of flips) will determine which line will become a bye, and which wrestler must be moved to make the bracket legal.

11.5 In accordance with NFHS Rule 10-3-2 there shall be no byes after the first round of competition in both the championship and consolation brackets. Note: The first round of the tournament in a particular weight class could be the quarterfinal or semifinal round depending on the number of entries.

 - 11.6.2 Returning state placer (4-8) at any weight class. The coach must e-mail the credentials to the tournament manager at least 24 hours in advance of the seeding meeting
 - 11.6.3 Returning district placer (1-6) at any weight class. A “new” (freshman or upper classman that was not a contender last year) wrestler that has more than 20 wins, has defeated a wrestler listed above him/her on the list, and has a higher winning percentage than the returning district place winner will be seeded above the returning district place winner at any weight class (1-6). The coach must e-mail the credentials to the tournament manager at least 24 hours in advance of the seeding meeting.
 - 11.6.4 Tiebreakers:
 - 11.6.4.1 The higher placer at each level earns the higher seed.
 - 11.6.4.1.1 Previous year’s tournament place finish must have been at an OHSAA tournament.
 - 11.6.4.1.2 A returning state placer from Division I, II, or III.
 - 11.6.4.2 If two or more wrestlers have identical place finishes, the tie shall be broken by the following criteria order: previous year state placement at any weight class, previous year district placement at any weight class, and then current year record’s winning percentage:
 - 11.6.4.2.1 Won/Loss record (by percentage) from current season (minimum of 12 matches).
 - 11.6.4.2.2 In the event of a tie in percentage, the wrestler with the most wins will receive the higher seed.
 - 11.6.4.2.3 If this does not break the tie, a coin-flip will determine the seed.
- 11.7 Seeding Meeting
 - 11.7.1 A seeding meeting may be held after wrestlers have been listed by criteria. Only wrestlers who have been listed may challenge for a higher seed.
 - 11.7.2 Coaches may submit a request to add a wrestler with a winning record but fewer than 12 matches to the seed nomination list by e-mailing supporting documentation to the tournament manager at least 24 hours in advance of the seeding meeting.

 - 11.7.4 Each challenge to a seed nomination will be addressed separately.
 - 11.7.5 Disposition of each challenge will be made by a vote of all coaches or concession by the coach of the nominated seed under challenge.

12. Alternates Advancing to Next Level:

The use of an alternate from sectional to district or district to state is permissible when a qualifying wrestler cannot compete due to:

- 12.1 Academic or disciplinary ineligibility.
- 12.2 Family matters necessitate a wrestler being withdrawn.
- 12.3 Medical or illness occurs. Not passing the skin check is a medical matter.
- 12.4 Flagrant misconduct causing disqualification.
- 12.5 Lastly, if a wrestler fails to make weight an alternate may be called to take the vacant line on the bracket at the respective tournament.
- 12.6 The alternate may be placed on the bracket up until the time that weigh-ins end. The alternate shall be the next highest finisher from the previous tournament. The alternate shall be placed on the vacated line of the bracket.

The Alternate selection procedure is as follows:

1. Alternate – Sectional/District 5th Place: Prior to the scheduled start of Session 1, if one qualifying wrestler from a sectional/district is unable to wrestle, the 5th place wrestler from that sectional/district shall be placed on the vacated bracket line in the 1st round. No other wrestler will be moved on the bracket.
2. Alternate – Other Sectionals/Districts 5th Place: If the 5th place wrestler from the sectional/district with the vacated spot is unable to wrestle, 5th place alternates from the remaining sectionals/districts become eligible for the vacated bracket line. If only 1 alternate is able to wrestle, he/she is placed on the bracket line. Otherwise, a coin flip (2 alternates) or random draw (3 alternates) determines which alternate is placed. No other wrestler is moved on the bracket.
3. Alternate – Multiple from Same Sectional/District: If more than 1 wrestler from a sectional/district in the same weight class is unable to wrestle, a coin flip (2 alternates) or random draw (3 alternates) determines on which bracket line the alternates are placed. No other wrestler is moved on the bracket.
4. Alternate – Bye/No Alternates: A Bye is placed on the bracket for a wrestler who fails to make weight and no alternate is available.
5. Alternate – No 4th Place Sectional Wrestler: If there is no 4th place wrestler from a sectional (only 3 entries in the weight class), 5th place alternates from the remaining sectionals become eligible for the vacated bracket line. If only 1 alternate is able to wrestle, he/she is placed on the bracket line. Otherwise, a coin-flip (2 alternates) or random draw (3 alternates) determines which alternate is placed. No other wrestler is moved on the bracket.

13. State Draw

The state draw will be conducted by the Executive Director's office prior to the district individual tournaments according to the following criteria:

- A. Each district has representation in each quarter bracket with an equitable balance of all pairings by district - #1 vs. #4, #2 vs. #3, etc.
- B. No two wrestlers from the same district will meet in the first round.
- C. Pairings are balanced.
- D. Returning OHSA state placers that finished either 1st, 2nd or 3rd the previous year will be separated in accordance with their previous place provided they qualify for the State Individual Tournament as a District Champion.
- E. If returning state placers are from the same district, the wrestler(s) only loss must be to a top three (3) state placer from last year.

14. School Representative

No team or individual shall be allowed to compete in the sectional, district or state individual tournaments unless accompanied while participating by a coach or person authorized by the Board of Education. Teams and individuals unaccompanied by such school representative or coach will be disqualified. (Bylaw 3-3-1)

2. May not be used to question a referee's call. A coach who requests a referee to view a video replay shall be assessed a one point team deduction for unsportsmanlike conduct.

3. Electronic devices that enable communication between coach and contestant during a match are not permitted (NFHS Rule 4-3-6).
- (b) Videotaping or filming by spectators

 6. Equipment will not be permitted in any competition area – only in the spectator seating area.
 7. The tournament site will not provide sources of power for video equipment.
 8. Violation of this regulation may result in the removal of offender from the premises.

16. Required Medical Professionals

A physician (M.D. or D.O.) must be present at all sectional, district, and state tournaments weigh-ins. It is highly recommended that you have a dermatologist at weigh-ins. The tournament physicians' decisions relative to the medical status of any wrestler are final. If a physician is unavailable during competition, an appropriate number of certified athletic trainers must be present.

17. Awards – District and State

Team trophies will be presented to the champion and runner-up teams in each tournament. Medals will be awarded to the coach of each champion and runner-up team. District medals will be awarded for the first six places in each weight class. State medals will be awarded for the first eight places in each weight class.

Note: All district tournaments will qualify four competitors in each weight class to the state tournament. District Athletic Boards will coordinate the assignment of four qualifiers from the sectional to the district tournaments. See the OHSA web site for complete qualifier information.

Note: Medals or trophies are not presented at the sectional tournaments

18. State Tournament Qualifiers

- (a) Sixteen entries in each weight class qualify for the state individual tournament.
- (b) Entries for the state individual tournament from each district individual tournament shall be forwarded to the OHSA office following the tournament as per instructions.
- (c) The use of an alternate from sectional to district or district to state is permissible when a qualifying wrestler cannot compete due to illness, injury, failure to make weight, flagrant misconduct or academic ineligibility. The alternate may be placed on the bracket up until the time that the weigh-in ends. (See number 11 above for process details) No other wrestler will be moved on the bracket. No expenses will be paid nor free admission passes granted to alternates unless they participate.
- (d) If there is no alternate available, that first round match will be considered a bye. Advancement because of such byes shall be scored according to NFHS Rule.
- (e) Weighing-in and passing medical checks is verifying entry; therefore, not appearing at a match will result in a forfeit.

Addendum A Match Limitation Policy for One-Day Sectional Tournaments

Per National Federation Rule 1.4.3 EXCEPTION, no wrestler shall wrestle in more than six matches championship or consolation, excluding forfeits in any one day of competition. **There will not be a Third or Fifth Place match if either wrestler has already wrestled 6 times.**

Per National Federation Casebook -- If one wrestler had wrestled in five matches and the other wrestler in six matches, then the wrestler with five matches would be the winner by forfeit. **The match must be scored by NFHS Rule: The wrestler who has not wrestled 6 times will place Third or Fifth by forfeit. If both wrestlers have wrestled 6 times, there will be no match and no points will be awarded.**

If there is no third-place finisher determined by physical wrestling in the sectional tournament, both wrestlers will advance to the district tournament. The following criteria will be used to determine their placement on the bracket for the district tournament. If the first item listed does not decide the placement, the next item(s) will be considered until a winner has been determined. **If there is no fifth-place finisher determined by physical wrestling in the sectional, the same criteria will be used to determine the alternate.**

1. The wrestler who has been penalized the least number of points for unsportsmanlike conduct throughout the sectional tournament shall be declared the winner of the placement position.
2. If the wrestlers have met previously in the **sectional tournament**, the winner of that match will be the winner of the placement position.
3. **Point values based on the quality of matches wrestled will be added to determine who has the greater number of points.**

	Points	Total
Win(s) by fall, forfeit, default, or disqualification	5	
Win(s) by technical fall	4	
Win(s) by major decision	3	
Win(s) by regular decision	2	
Loss(es) by regular decision	1	
Loss(es) by a major decision	$\frac{1}{2}$	

The wrestler with the greater total points will be the winner of the placement position.

4. The wrestler who has won by the most falls/defaults/disqualifications during the sectional tournament shall be the winner of the placement position.
5. The wrestler who has won by the most technical falls through the sectional tournament shall be the winner of the placement position.
6. The wrestler with the most wins by major decisions through the sectional tournament shall be the winner of the placement position.
7. The wrestler who has scored the greater number of items listed below will be the winner of the placement position. These shall be considered **one line at a time** until a winner is determined.
 - a. Greater number of near falls
 - b. Greater number of takedowns
 - c. Greater number of reversals
 - d. Greater number of escapes
 - e. Penalized the least for stalling
 - f. Warned the least for stalling.
8. If all items listed (items 1-7) fail to determine a winner, the tournament manager will use a coin flip to determine the winner of the placement position.
