Food and refreshments for coaches will be limited and monitored. The hospitality room is not an "all you can eat buffet." Please be respectful of hospitality workers for their time involved in preparing this for all of you. Please enjoy the food and refreshments, but remember we are providing hospitality for a great number of people. The hospitality room is located in the library. Signs directing you to the hospitality room are in the cafeteria.

Athletic Trainer Information:

There will be two athletic trainers splitting the event and will provide ice and water for the athletes. Please bring a stocked medical kit with any supplies your athletes may need during the event. If an athlete needs to be taped, it should be prior to the start of competition. The athletic training room is located in the back hallway between the girls and boys locker rooms. Please bring written documentation from your athletic trainer or team doctor stating who is to be taped, what we are taping, and any specifics about the taping that are different from "normal." Athletes will not be taped without this note. Please bring supplies from your stocked medical kit for the athlete to be taped. If an injury occurs in the competition, the athletic trainer will assess the injury and make recommendations as to whether the athlete has an injury and if the athlete should continue in the competition.
