

Congratulations!

You have qualified for **Boys Division 2 Southwestern District Golf Tournament** Glenview Golf Course

1. On tournament day you must pay greens fees of \$125.00 per team or \$25.00 per individual. Credit cards, cash, or checks made out to Glenview Golf Course will be accepted. Our plan is to follow the “no pay, no play” procedure. Included in the greens fee cost are range balls for the players & a golf cart for the head coach use.
2. Spectators will have to pay admission. The head coach and the participating players get in free, but everyone else pays \$8.00. All admission tickets must be purchased presale through the athletic departments of participating schools. No one can pay at the gate on the day of the tournament for entrance. The gate worker will use electronics to scan the “already been purchased” presale tickets.
3. **The Division 2 boys District Tournament will be held on Tuesday, October 6, 2020. Play begins at 9:00.**
4. **Your tee times and pairings are determined by your finish in the Sectional. Please check our web site under golf at baumspage.com to find out where you tee off, when you tee off, and who you will be playing with.**
5. The rain date for the tournament depends on many factors such as course availability, the weather forecast, and how much of the tournament is left to be played (since play resumes from where it stops). Friday is our first choice.
6. **The Southwest District Tournament will be held on East & South nines at Glenview G.C. It is located at 10965 Springfield Pike, Cincinnati, OH 45246**
7. Warmup balls will be available at the driving range (not in the clubhouse). You may need to get tokens in the clubhouse. Their cost is included in your greens fees.
8. Play will be from a mixture of blue and white teeing grounds (mostly blue - approx. 6400 yards), We will use only one set of tee markers – probably blue
9. Players will not come to the clubhouse between nines to post their scores (or eat). This is an 18-hole tournament and therefore players should proceed to the next tee.
Each coach is responsible for reporting their team’s 9-hole scores (unofficial) in the clubhouse so we can post them. Bring scores in yourself or send them in with someone.

10. You are welcome to have team coolers behind the 9th greens filled with drinks, snacks, sandwiches, or whatever. Actually, keep the cooler on your cart if you like.
11. If necessary “sudden victory” playoffs will begin on East hole #1.
12. There are cell phone rules from the O.H.S.A.A. We will be enforcing them. Please tell your players and spectators. See page 12 of the 2020 Golf Manual.
13. Spectators are permitted as either walkers or cart riders, but are **not** permitted to converse with players. It will be the responsibility of coaches and players to caution any spectator from talking to or interfering with contestants. Not doing so may result in a penalty of disqualification of contestants involved. Spectator carts can be rented for \$16 per person on a first come, first serve basis. Carts can not be reserved ahead of time. And when they have all been rented out, that will be it for carts. Head coaches will be given a cart for their own use. Players can not ride in carts unless there is a weather or medical emergency.
14. The Coaching Rule is, of course, in effect. Refer to page 11 of the 2020 Golf Coaches Guide for details. Included in your tourn. day packet will be a lanyard that the head coach (or their designee) should wear. The lanyard is not transferable.
15. **Read the manual** at www.ohsaa.org under Sports – GOLF – 2020 Golf Manual. It is full of rules and regulations that you are responsible for knowing.
16. Also range finders are permitted again this year. The range finder must NOT be part of a communication device, such as cell phones, tablets, or other communication device with range finder or GPS apps. The middle of page 7 in the 2020 Golf Manual has the exact wording of the distance-measuring device rule.
17. Results will be posted on **baumspage.com** Nothing will be mailed.
18. Check out “Southwest District Tournament Records at Weatherwax 1974 - 2015” at our site www.ohsaa.org/swdab under golf.
19. My name is: Tim Tilton, tournament manager

938 Ligorio Ave.
Cincinnati, Ohio 45218

Cell phone: 513-317-9694
e-mail: timtilton6@icloud.com

Glenview G.C.: 513-771-1747
20. At Glenview: Mike Roeder is Head Professional. Mike is a fine man and very supportive of high school golf. Try to take time to bump his elbow and say thanks.
