

Athletic Directors and Coaches

Please be aware that the OHSAA has **MANDATED** that **ANYONE** attending the Sectional and District Golf Tournaments **MUST** have a **ticket purchased on line from your school**. **NO PASSES** will be honored except State and District Board members. The ticket price is \$8.00 per person. If the spectator(s) wish to rent a cart, the fee is \$20.00 total. Of course, this is optional. Carts cannot be reserved ahead of the tournament and are on first come, first serve basis.

Do **NOT** call the golf courses or any Tournament manager for tickets and/or cart rental. The money from the ticket sales go the **OHSAA**. **Please clarify to the public.**

As of today, we have not received any information for you concerning ticket purchases etc. The OHSAA is supposed to be sending information this week to your school.

There will be ticket takers located near the entrance of the parking lot of the golf course. Please have ticket or phone ready to be scanned.

Please advise your parents, students, staff and community members of this new policy.

Also, a reminder that masks are required if going inside pro shop/restaurant area at all times and according to the OHSAA mandate:

- Face Masks: Must be worn by spectators, workers, and coaches at all times. Golfers must wear them anytime they are not competing or on the range/putting green/chipping area. (but do have the option to wear them during these times if they choose).
- Social Distance: Must be maintained at all times. Spectators can remain within their family groups but should keep 6ft distance from other groups.
- Physical Contact: Not permitted- no handshakes, high fives, etc.
- Congregating: Not permitted before, during, or after competition.

More information is listed on the OHSAA web site under Managers Manual.

Thank you for dealing with this in your school community.

Randy Williams – Tournament Manager

Dave Frantz – Tournament Manager

Keith Downing – Tournament Manager
