

District qualifier information regarding the Southwest Ohio High School Girls Division II District Golf Tournament at PipeStone Golf Course, Miamisburg, Ohio.

1. On tournament day you must pay greens fees of \$125.00 per team or \$25.00 per individual. Cash or checks made out to **PipeStone Golf Course** will be accepted. Our plan is to follow the “no pay, no play” procedure.
2. Qualifying teams will be automatically advanced from sectional to district with players listed in the order they played at the sectional. If a substitution or change in playing order is needed, please e-mail coachakers46@yahoo.com as early as possible so the change may be reflected on the tee sheet, team score sheets, and scorecards.
3. Check www.baumspage.com/golf/dist/2/girls/sw/pipestone/2019 for an updated tee sheet listing all qualifying teams and individuals after all sectionals have finished. Also print the Rules and Procedures sheet from the same page
4. Please plan to attend a brief coaches meeting at 8:15 AM or 9:05 AM.
5. District qualifiers may play practice rounds at PipeStone by contacting Scott Effinger, Head Professional at 937-866-4653 for tee times and rates.
6. Spectators will have to pay admission for the district tournament. The head coach (with his/her pass) and the participating players get in free, but everyone else pays \$6.00. I hope this is not a problem for anyone (especially the ticket sellers). For many years golf has been a revenue loser. Money generated at the Districts won't solve everything, but will help us to be more of a “break even” sport.
7. **The Girls Division II District Tournament will be held on Wednesday, October 3, 2019. Play begins at 8:30 AM.**

The rain date will be Thursday, October 4th. The time will depend on many factors such as course availability, the weather forecast, and how much of the tournament is left to be played (since play resumes from where it stops).
8. The tournament will be played at **PipeStone Golf Course**, 4344 Benner Road, Miamisburg, Ohio 45342. If you need directions you can find them on the internet at www.pipestonegolf.com.
9. Warm-up balls will be available. Their cost is included in your greens fees.
10. There are electronic device rules from the OHSAA.
11. Girls will play from the Green Tees (approximately 5100 yards).

12. Players will not come to the clubhouse between nines to post their scores (or eat). This is an 18-hole tournament and therefore players should proceed to the next tee. **Each coach is responsible for reporting their team's 9-hole scores (unofficial) in the clubhouse so we can post them. Bring scores in yourself or send them in with someone.**
13. PipeStone has a policy of no food, drink, or coolers allowed to be brought into the golf course! The PipeStone snack bar will be open!
14. State Qualifiers: Two teams and two individuals not on a qualifying team. If necessary "sudden victory" playoffs will begin on the first hole.
15. Please tell your players to be careful that scorecards are readable and correct. Scorecards should be signed and attested before they are turned in. Players should turn in their own official scorecard.
16. Spectators are permitted, but are **not** permitted to converse with participants. It will be the responsibility of coaches and players to caution any spectator from talking to or interfering with contestants. Not doing so may result in a penalty of disqualification of contestants involved. Head coaches will be given one cart for marshalling.
17. The OHSAA and SWDAB approved allowing spectators to rent carts. Cart rules will be enforced.
18. The coaching regulation permits one school board approved coach/designee assigned to that event to speak with his/her players without delay of play at any time. Coaches are not permitted on the greens or in sand traps. There will be one cart per school with the coach's name on it. Marshalling your players on holes #2, #6, and #18 will be helpful.
19. No results will be mailed! Results will be posted on www.baumspage.com and the Southwest District Board web site: www.swdab.org
20. For questions, contact:
