

Spectator Carts

Spectator carts **WILL NOT** be permitted. The exception is as follows:

Handicapped individuals with proper ADA documentation (a handicap car placard **IS NOT** acceptable documentation) will be permitted to purchase a spectator cart for \$20.00.

Spectator carts must be kept in the rough or cart path at all times, and keep ½ hole ahead of the group.

Carts are gas powered, so spectators with carts must be aware of golfers in his/her vicinity and take all necessary precaution not to disturb any player on the golf course while driving.
