

Spectator Carts

In general, spectator carts WILL NOT be permitted.

The exception is as follows:

Handicapped individuals with proper ADA documentation and individuals with doctor's authorization will be permitted to purchase a spectator cart for \$20.00.

Spectator carts must be kept in the rough or cart path at all times, and keep ½ hole ahead of the group.

Carts are gas powered, so spectators with carts must be aware of golfers in his/her vicinity and take all necessary precaution not to disturb any player on the golf course while driving.

Coaches:

Please make your players aware of this policy set in place by the OHSAA!!
