

## 2020 Rules and Regulations for Lakota Golf Outing

Please forward this email and attachments to your Boys Golf Coach immediately so as to avoid any confusion next Friday August 14.

We will proceed with our Boys Golf Tournament as scheduled next Friday, August 14 with a shotgun start at 8:00 AM. Incorporating the guidelines for golf provided in the OHSAA return to play documents and after discussion with the Head Professional Sycamore Hills GC Golf Course (Doug Michaels), we will be implementing the guidelines below:

1. Each School/Coach will be provided ONE Golf Cart
2. VERY IMPORTANT - there will be NO SPECTATOR CARTS PROVIDED given the current Covid situation, NO EXCEPTIONS. I am begging you and your coaches to get this word to parents/guardians so they do not request the Sycamore Hills GC staff provide them a cart upon arrival at the course. I am very much aware of the challenge of walking 18 holes at the Sycamore Hills GC, but again, in the name of safety, we are NOT PROVIDING SPECTATOR CARTS.
3. We are asking each Coach to do a Health Screening of their team prior to departing for the Sycamore Hills GC, this should include a Temperature Check. A reminder that a temperature of 100.4 or greater would deem the athlete unable to participate that day.
4. Coaches and Players are expected to be masked upon arrival at the Sycamore Hills GC. Coaches and Players should be masked at all times when around the patio area, putting green, and in the clubhouse. Players should only be in the clubhouse to use the Restroom. Players should not loiter nor congregate in the clubhouse/pro shop. Coaches should also be masked when in the clubhouse and during our coaches meeting at 7:30 AM
5. Encourage your players to bring their own snacks to eat while playing. Sycamore Hills GC staff will have a limited snack bar in the Pro Shop.
6. Players will NOT need to be masked while playing, they may remove their mask once they have arrived at their first tee. Coaches likewise do not need to be masked on the course EXCEPT when not social distancing (instructing a player)
7. At the conclusion of the Tournament, when arriving back at the clubhouse, Players and Coaches must be masked.
8. We will be providing Lunch from the Sycamore Hills GC (Hot Dog, Chips, Cookie, Drink) at the conclusion of the Tournament. Players and Coaches should be masked when picking up lunch and practicing social distancing while eating.
9. Coaches will be assigned a hole at the conclusion of the tournament to collect 1 scorecard from the group while out on the course. We will review the scores on the course to limit crowds at clubhouse.
10. After eating, teams will board your bus and are allowed to leave. We will do the scoring after all cards are turned in and email results and mail awards to the appropriate schools after the tournament is over.

If your team will NOT BE ATTENDING our tournament, please let me know ASAP. The Entry Fee of \$200 (made payable to Lakota Local Schools) should be paid at your earliest convenience.

The Covid situation has certainly provided us with some unique challenges. The Sycamore Hills GC Staff has been incredibly supportive in working to insure we are able to move forward with our tournament. The Sycamore Hills GC has hosted numerous outings this summer, including Junior Tournaments. I am very confident with the guidance they have provided.

We are extremely thankful to FINALLY see our student-athletes have the opportunity to compete again and anxiously look forward to next Friday. Please reach out to me if you or your coach have any questions or concerns.

Stay Safe!
