

**2022 LADY LOCO GOLF INVITATIONAL RULES
SUBURBAN GOLF CLUB**

Today's Tournament will be played using USGA rules. **Red Tees. Winter Rules everywhere except in hazards and on the green.**

1. Out of bounds: Due to the fact that not all out of bounds is clearly marked, we will play the entire perimeter of the course as a lateral hazard. Drop a ball line of flight within two club lengths no closer to the hole and take a one stroke penalty.
2. Lost Ball: A lost ball within play will be played as stroke and distance. You must go back and hit from the previous spot and take a one stroke penalty.
3. Free Relief from 150 yard bushes, flower beds, and cart paths...nearest point of relief including stance plus one club length.
4. Embedded ball rule is in effect through the green.
5. There will be designated drop areas on Holes 4, 6, 10, and 11. If you go in the water or in the woods, please use drop area.
6. Rocks short of the green on Hole 5 are free relief, no closer to the hole.
7. Power Lines and Poles on Hole 10 are free relief. Stance or pole in line of flight free relief no closer to the hole. If you hit wires, you must re-hit your shot.
8. Rulings will be made by the Invitational Rules Committee Team
9. If you have any questions, play two balls and the rules committee will make a ruling when you finish.
10. Please replace divots and repair ball marks.
11. Tall grass or "heather" will be played like the rest of the course.

Lunch will be provided after play is completed but this could change due to local health department guidelines. Players should report to the scorer's area to sign and verify scorecards before eating.

Thank you and good luck.
