RE: Boy's NE Sectional Tourney

The Division 2 Northeast Sectional Boy's Golf Tournament will be played on Tuesday, September 22, 2026 at Quail Hollow Country Club, 11295 Quail Hollow Drive, Concord, Ohio 44077. We will play the Devlin Course. We will play the blue tees, which will measure about 6400 yards.

Tee times will begin at 8:30 am. Coaches must contact the golf course to arrange for practice rounds should they wish to do so.

Schools are no longer responsible for paying the golf course for tournament day greens fees. The Northeast District Athletic Board/OHSAA will be paying the golf courses directly. PLEASE NOTE: THE FEE DOES NOT INCLUDE A LUNCH TICKET, nor does the fee being paid by the OHSAA include practice rounds.

If your school plans on sending fewer than five golfers, please contact me immediately. I can be reached at the above number, text or email. PLEASE NOTE that all entry data must be submitted on IWanamker by no later than Sept. 16, 6 PM. Players must be listed in the order they will play. Coaches MUST comply with this directive. Any questions regarding IWanamaker can be directed to Gary Baumgartner at 513-594-6154 or Terry Young at 740-517-0195. Please also note that as in past years, the PAPER scorecard will serve as the OFFICIAL score, HOWEVER, players are required to keep their hole by hole scores on their device (phone).

Players/coaches must also be aware of the Quail Hollow dress code which includes no jeans or cut-offs; shorts must be of appropriate length; collared shirts are required. Coaches must also monitor proper golf etiquette (ie) replacing divots, repairing ball marks. Quail Hollow CC will provide one cart for each head coach at no charge. Parents and spectators may NOT communicate with the players during the course of the round. Failure to comply may result in disqualification. This message needs to be passed on to your players and parents. NOTE: there is a spectator fee of $10 adults and $5 students. Purchase of adult tickets must be made online via the OHSAA web page. There will be NO student pre-sale tickets. Student spectators will be directed by the starters/ticket personnel at the course on how to purchase tickets via their device. Please advise your parents/spectators that Quail Hollow will NOT allow spectator carts on the course unless a medical need document is presented at the pro shop.

In addition:

- Restroom are available at the ½ way house.
- Please have your transportation (bus or van) available in the event of inclement weather.
- By OHSAA rule, spectators will be required to pay an admission fee. Tickets must be purchased in advance, on-line only. Athletic directors will receive information on the purchasing process from the OHSAA

Thank you in advance.
