

1. You are keeping score for everyone in the group. Please write your name on your card. Please write scores legible manner.
2. We need scorecards after 9 holes to post **UNOFFICIAL** scores. We will get them back to you promptly.
3. After the completion of play, we ask the group to go over everyone's scores. **You do not have to sign your card or add up any total score.** All questions regarding rules and or scoring should be acknowledged before turning in your card. If there is a scoring discrepancy, we will look at all cards to determine if there is a common score.
4. Rules for the day:
 - A. Stroke Play from the White Tees
 - B. Lift clean and place within 1 club length in your own fairway. Must stay in fairway cut.
 - C. Embedded Ball Rule is in Effect through the green. (Through the green means NO hazards)
 - D. Freshly mulched areas including pine straw and flower beds may be played as ground under repair.
 - E. Tall un-mowed areas will be treated as a penalty area.
 - F. Ground dug up by animals or construction vehicles should be played as ground under repair.
 - G. The cement/black top around the clubhouse, cart facility and maintenance building is O.B. Cart path around 10 tee is in play.
 - H. Drop area on hole #4 for balls lost in the penalty areas on the left and right hills.
 - I. Free drop from fence behind #7 green. Drop area located short of the right bunker.
 - J. The path between the lakes on #18 is in the penalty area. You may not drop in this area.
 - K. When in doubt, play 2 balls, but you must declare which ball you want to count **BEFORE** playing the second ball.
8. We have spotters on a lot of holes. They will not find every ball hit so help them out. Point in the direction of your drive so they have a better chance of finding it.
9. **Do not ask a spotter for rules help.** Play 2 balls whenever there is a problem, but declare which ball you want to count before playing them.
