

OHSAA TICKET INFORMATION - 20222

The OHSAA and HomeTown Ticketing will work collaboratively to set up each sporting event on the ticketing platform (www.ohsaa.org/tickets).

Once teams are listed for an event, each athletic director for the participating schools of that event will receive an email with specific instructions and a personalized code for their team. This code will be shared with the participants families so they can login and purchase up to the allotted ticket amounts based on venue capacity limitations. o Families will have a select time to purchase tickets, and that window will close prior to the event occurring.

Currently, there will be no gate/walk up tickets sold. Pre Sale tickets are adults \$8, Students\$6, Under 5 free
