

**OHIO HIGH SCHOOL ATHLETIC ASSOCIATION
SOUTHWEST DISTRICT**

2022 SECTIONAL/DISTRICT BOYS' AND GIRLS' GOLF RULES AND REGULATIONS.

1. Lightning and inclement weather. At the first sign of lightning or other threatening weather (thunder), the contest official shall suspend the competition until 30 minutes after the last sound of thunder is heard and/or the last bolt of lightning has been seen. In order to protect student-athletes, spectators and other participants, there shall be access to appropriate shelter in the event of such suspension. All contests suspended shall be resumed at the point of interruption.
2. Submit entries online at www.baumspage.com. A properly completed electronic entry must list athletes in intended playing order and include the name and grade of each athlete. Electronic entries must be completed no later than 5:00 p.m. one week prior to the start of the tournament or at a later date and time if established by the district athletic board. If the completed entry is not submitted by the designated time and date, the school's participant(s) will not be accepted without payment of a \$150 late fee and approval by the OHSAA. Changes to a team's line-up/roster can be made until the scheduled tee time for competition as long as the athlete is eligible.
3. In District Tournaments, any eligible golfer may participate, with the four (4) best scores counting for team scoring. USGA rules and medal scoring will apply. Substituting may be made from Sectional to District, and to State, with anyone on the eligibility list.
4. It is permissible to conduct the tournament on any day of the week. If no other date is available and Sunday is chosen, the tournament must be conducted in the afternoon. School times should be considered in scheduling the meets.
5. State instructions are to be followed in detail. Refer to www.ohsaa.org for state regulations.
6. Competing schools' green fees are now covered by school dues to the OHSAA.
7. Tickets for all sectional and district tournament matches will be sold online through HomeTown Ticketing. Gate sales are permitted but will be done electronically via HomeTown Ticketing provided the event is not sold out. No cash sales are permitted per OHSAA rules. Ticket prices will be:

12. Rules

- a. The Rules of Golf, as approved by the United States Golf Association and R & A, for Stroke Play and OHSAA tournament regulations shall prevail for all tournaments sponsored by the OHSAA.
- b. The 2019 Rules of Golf included an optional Local Rule that allows players to drop a ball with 2 penalty strokes in an area near where the ball was lost or estimated to go out of bounds. The Local Rule is not one of the 24 Rules of Golf; it is an optional Local Rule. This 2-stroke optional Local Rule may NOT be used at the OHSAA Sectional, District, or State tournaments.
- c. OHSAA Local Rule – Sectional Tournaments Only – Maximum allowable score of 12 strokes shall be used during OHSAA tournament play at the sectional level. Should a player reach 12 strokes on a hole, the player shall stop play on that hole and record their score as a 12. A player's score who has used the 12-stroke limit **may still contribute their score to a team / individual score.**

13. Scoring

The team score shall be determined by totaling the scores of the 4 players with the fewest strokes for the match. The team with the fewest number of strokes is the winner.

Tournament competitors shall keep score during OHSAA tournaments using the OHSAA Golf app. Each player in the group shall download the OHSAA Golf app and use this to score during the round. Live scoring is mandatory for each player.

- Scores will be entered using the players' own personal devices. If a player does not have a device, then a coach may enter the scores for that player, a fellow competitor may enter the scores, or the scores may be entered at the end of the round by a coach or tournament administration.

- All live scores are considered unofficial until the close of competition and all scores are reviewed.

All questions on number of strokes shall be settled before starting play on next hole. Score must be verified before first tee shot is made on next hole. At the end of the round all members of the playing group shall bring scorecards/devices to the scoring table together to review scores and any questions with tournament management. Scoring issues can be corrected while players remain in the scoring area. All players in the group shall remain in the scoring area until paper or electronic scorecards are confirmed, scores are verified and attested.

Weather Policy.

Monitor Weather Patterns – Be aware of potential thunderstorms by monitoring local weather forecasts the day before and morning of the competition, and by scanning the sky for signs of potential thunderstorm activity.

National Weather Service – Weather can also be monitored using small, portable weather radios from the NWS. The NWS uses a system of severe storm watches and warnings watch indicates conditions are favorable for severe weather to develop in an area; a warning indicates severe weather has been reported in an area, and everyone should take proper precautions. Any thunderstorm poses a risk of injury or death even if it does not meet the criteria for severe weather. Therefore, anytime thunderstorms are in the forecast (even if it is only a 20 percent chance), event organizers should be at a heightened level of awareness to the potential danger of lightning.

Management.

Evacuation - If lightning is imminent or a thunderstorm is approaching, all personnel, athletes and spectators **shall** evacuate to available safe structures or shelters. A list of the closest safe structures should be announced and displayed on placards at all athletic venues.

Thirty-minute rule - Competition or practice shall be suspended once lightning has been recognized or thunder is heard. It is **mandatory** to wait at least **30 minutes** after the last flash of lightning is witnessed or thunder is heard prior to resuming practice or competition. Given the average rates of thunderstorm travel, the storm should move 10-12 miles away from the area. This significantly reduces the risk of local lightning flashes.

Any subsequent lightning or thunder after the beginning of the 30-minute count shall reset the clock, and another count shall begin.
