ON THE ENTIRE GOLF COURSE

All mulch beds and heather must be played as is. There are no free drops from these areas.

All players, if necessary, must use the OHSAA local rule of a 12 stroke limit on all holes. After hitting their 12th shot on a hole, a player should pick up and record their score as a 12. They then go to the next tee and play on. Their score still counts (not a DQ).

Everyone must use live scoring from iWanamaker. It is not optional. Your OFFICIAL SCORE will be the one recorded on your paper scorecard. After 18 holes your entire group should go directly to the scoring area to have the official paper scorecard checked, signed, and attested.
