| 9:00 AM  | Coaches Meeting          |
| 10:00 AM | Wrestling begins         |

Entry into this year's championships will again be via [baumspage.com](http://baumspage.com). The entry window for both tournaments will open at 8:00 a.m. on Sunday, February 11 and will close at 6:00 PM, Friday, February 15. **No changes to your roster will be permitted after the 6:00 PM Friday deadline.** Please ensure your wrestlers understand this.

For the high school tournament, **ALL** weight classes will be bracketed. For the junior high tournament, all weight classes will be pool or round robin format. The TVC bylaws will govern both the high school and junior high championship tournaments and will only be adjusted to ensure compliance with OHSAA adopted rules and regulations (length of periods, etc). Seeding for high school remains unchanged: state (top 8), district (top 6), sectional (top 6) and TVC (top 4), current season winning record with at least 10 matches. Junior high seeding will be based on: OAC state (top 8), OAC district (top 4), last year's TVC placement (top 3) and current year winning record (10 match minimum). Head to head challenges will be accepted up until the start of weigh-ins.

Preliminary seeds will be posted on [baumspage](http://baumspage.com) shortly after the entry window closes on Friday evening. All seed eligible wrestlers will be seeded and placed on the bracket/pool in the corresponding seed position. All non-seed eligible wrestlers will be randomly and automatically placed on the bracket. For consistency and fairness in scoring, the same size bracket/pool will be used for all weight classes regardless of the number of wrestlers in each weight class.

Your school will be assigned to a locker room upon arrival. Please make sure your wrestlers use the assigned locker room.

We will be using three mats most of the day. All wrestlers should report to the bullpen area when their number appears on the match/bout board. The winning wrestler of each match will be required to return the completed bout sheet to the head table immediately after the match concludes.

At the conclusion of the final round of the junior high tournament, the top three individuals in each weight class will be recognized. The top three individuals in each weight class in the high school tournament will be recognized at the end of the tournament. The individual weight classes will be called starting at the lowest weight. Each weight class champion's coach will present the awards to the respective weight classes. The team trophies for both the junior high and high school tournaments will be awarded immediately following the presentation of the 285 pound weight class awards. The MVW winners will be the final award of the day.

Admission for all adults is \$7.00 and admission for students and senior citizens (65 and older) is \$4.00 each.

Programs will be available and sold at the door. Updated brackets and results will be posted regularly throughout the day. Please be sure to review the results and report any errors immediately to the head table.

A brief coaches meetings will be held at 9:15 a.m. to review the brackets and before the start of the finals to review all results and discuss the MVW of each tournament. We will only take breaks as necessary to adhere to the 45 minutes between matches rule.

TVC tournament t-shirts will be available for \$15 each.

A certified athletic trainer will be onsite all day. Please bring tape or other supplies that you or your wrestlers may require.

In case of inclement weather, a decision as to whether or not the tournament will be held will be made by 6:00 a.m. Saturday morning. We will contact you and/or your athletic director by 5:30 a.m. if there will be a delay, cancellation or rescheduling of the tournament. Any weather related announcements will also be posted on [baumspage](#).
