- 2) Returning state placer (4-8) at any weight class. A "New" (freshman or upperclassmen that was not a contender last year) wrestler that has more than 25 wins and has defeated a wrestler listed above him on the list and has a higher winning percentage will be seeded above the returning state place winner at any weight class (4-8). *The coach must e-mail the credentials to the manager.

A "New" (freshman or upperclassmen that was not a contender last year) wrestler that has more than 20 wins and has a higher winning percentage than the returning district place winner will be seeded above the returning district place winner at any weight class (1- 6).
- 4) Tie-breakers:
 - a. The higher placer at each level earns the higher seed. If two or more wrestlers have identical place finishes, the wrestler returning at the same weight earns the higher seed.
 - b. Previous year's tournament place finish MUST have been at an OHSAA tournament.
 - c. A returning placer can be from Division I, II, or III.
