

## **Spectator Notes**

All spectators are required to wear a mask and maintain 6 feet of social distancing between families. We have limited seating in our bleachers, but we have opened up all of the areas around the outside of the track fencing for spectator seating. If you are interested in sitting in these areas, please bring a camping chair and enjoy the meet from outside the fence. You will still need to pay the \$12 admission fee to enter the facility, regardless of where you decide to watch the meet.

Areas of the facility are marked for athletes and coaches only.

These are the team camp area behind the bleachers and the football stadium. Also, only participating athletes are permitted on the track or in competition areas.

T-shirt and concession sales will be available. There will be multiple food trucks available for hot food purchases. Snacks and drinks will be sold from the concession stand on site.

All tickets should be purchased online before arriving at the facility. Tickets through the OHSAA will be \$12 each. There will have a \$5 fee for every car that parks at a Perry Local School lot.

***Reminder: We are here to celebrate our student athletes. Let's follow the procedures in place to allow them to have their season.***

# ***Live Stream of this year's meet!***

***Live stream link can be found at***

***<http://perrylocal.org/live>***

***The stream will begin at 4:15 on each day of competition***

***Their will be one camera located within the track stadium. There will be limited viewing of the high jump, pole vault and long jump events. The throwing events are not in range of the camera.***

***All track events will be viewed for the meet.***

***The live stream link is \$12 for the day of the event.***
