### STADIUM INFORMATION GUIDE

#### GENERAL:

Whitehall City Schools prohibits tobacco use on school grounds, including parking lots. Team camps will be located in the baseball outfield. The team pass gate will be located to the right of the north main home stadium gate. Signs will be posted. Please help us keep our grounds clean by cleaning up any trash at your team camp areas after the event. Whitehall's stadium has a grass surface and athletes are requested to stay off the playing field. We ask that the athletes warm up on the back side of the track and not on the football field. Only competing athletes are permitted inside the track in close proximity to their event times. Athletes should not become spectators inside the track.
