

Important Notes for Coaches

Titan Relays “adjustments” for 2019

- 1) Shot Put & Discus:** The throwing areas for BW have been moved by BW to the Cuyahoga County Fairgrounds. The new area is located right by **Gate 2**, located off of Eastland Road, south of Bagley Road. Boys discus & girls shot put will throw first. A shuttle bus will loop continuous from the Fairgrounds to Finnie Stadium, picking up/dropping off athletes & spectators to both venues.
- 2) School Bus Parking...please share with your transportation departments!** Due to the construction @ Berea-Midpark HS, much of the parking, along w/previous traffic patterns have been disrupted. Please have your buses drop the athletes competing @ Finnie Stadium off at the stadium, **then** take the shot put/discus athletes to the Cuyahoga County Fairgrounds via Eastland Road. They can enter @ either **Gate 2** or **under the Arch-Gate 1**(both off of Eastland Road), and then park their buses there for the duration of the meet.
- 3) Spectator Parking & Shuttle Bus Service:** Again, due to construction, traditional parking availability, especially for the **early session (1:00 – 5:00 pm) events** is severely limited. Parking will be available @ the Cuyahoga County Fairgrounds, entering off of **Eastland Road** through the **Arch-Gate 1** or via **Gate 2**. Some parking may also be available @ St. Paul’s Lutheran Church, located on the corner of Bagley & Eastland Roads. A **shuttle bus** will loop around continuously, from Noon – about 8 pm, between the Fairgrounds parking areas mentioned, St. Paul’s, & Finnie Stadium, to pick up spectators & athletes & drop them off between these sites. **Once school is dismissed, some parking will be available in the BMHS parking lot.**
- 4) Restrooms will be available @ the Fairgrounds site, along w/a small concession stand.**

*****Please let bus drivers know that the bus parking is accessible off of Eastland Road, through Gate 2 & the Arch-Gate 1 entrances.**
