

The annual Jason Manse Crusader Relays honors one of Central Catholic High School's finest graduates. While at Central, Jason set standards for both academic achievement and athletic excellence. He earned letters in multiple sports and was a member of the 1993 State Champion 4x400 meter relay team. After his graduation, Jason attended Duke University on an ROTC Scholarship. There he continued his track career and earned his degree in 1997. As a Navy Pilot, Jason flew numerous missions during the gulf war and upon returning to the states, he continued his service by training new pilots. Jason was killed on January 10, 2006 on one of these training missions.
