Please e-mail the home or cell phone number for your boys' and girls' head coaches to Virgil Bohls vbohls@napoleonareaschools.org by March 24. Coaches will be called by 8 A.M. on Saturday, March 27 in the event of cancellation. Individual events may be cancelled due to the weather while the meet goes on! If we see weather conditions that indicate that we have no hope of having the meet, we will make a decision Friday during the day so that we can notify you before your athletes leave for the day.

Please also be aware that our school staff are receiving their second dose of the COVID vaccine the day before the meet. Depending on how that impacts our staff, there is the possibility that we will find ourselves unable to host the meet on Saturday morning because we do not have the actual staff to run the meet. We will treat this situation as we would a weather issue and notify you Saturday morning.
