

Dave Clegg North Canton Invitational 2021

Attention Fans and Parents,

Each spectator must purchase a ticket online prior to attending the meet. No ticket sales will be made at the gate. In accordance with the governor's recent relaxing of limits on spectators at sporting events, we have no limit on the number of tickets each athlete's family may purchase. We do ask that each family socially distance from other families and that all spectators wear masks at all times when inside the stadium.

Tickets may be purchased at the link below:
