March 15, 2018

Dear Athletic Director / Coach :

We are happy to have your team as a participant in the Seneca East Tiger Invitational this year on Saturday, March 24, 2018. Originally this was called the Tiger Relays; however, two years ago we decided to change the format from relays to an invitational style event. Due to teams withdrawing from the meet over the years, some not being able to field some of the relays, and that it is one of the first meets of the year, we thought this format would make the meet more attractive to the participating athletes and teams. The feedback the last two years from coaches and teams was positive so we are going to continue this year with the same format.

Unlike the traditional invitational format of each school being allowed 2 individual participants, we are again going to allow each school **3** individual participants. There are currently 7 total teams contracted for this year's meet : **Carey, Mohawk, New London, Oak Harbor, South Central, Western Reserve, and host Seneca East**, there will be three heats for individual events. Each school will have someone representing them in each heat (your team's slowest person – Heat #1, your second fastest – Heat #2, and your fastest – Heat #3). The lane assignments will be the same for all three of your runners for that individual event (ex. Mohawk's slowest runner Heat #1 – Lane #3, Mohawk's second fastest runner Heat #2 – Lane #3, and Mohawk's fastest runner Heat #3 – Lane #3). Lane assignments then will be rotated amongst the teams for the next event (ex. if Carey was assigned Lane #5 for the 100m hurdles, they may be assigned Lane #7 for the 100m dash). We will do the same format for establishing flights for both the shot put and disc (ex. New London's third farthest thrower – Flight #1, New London's second farthest thrower – Flight #2, and New London's farthest thrower – Flight #3). For the 800m, 1600m, and 3200m, all three of your school runners will share the same lane on the starting line.

Because of the above format for assigning heats and lanes, coaches will still need to submit their runners names and a time on www.baumspage.com so that our meet manager, Tom Tucker, can then place your slowest to fastest runners in the correct heat. If you have any questions, you can contact Tom at tltucker@woh.rr.com, or by cell phone at 419-680-8200.
