Packets with heat sheets and coach meal tickets can be picked up at the finish line upon arrival.

You are limited to two contestants per event and one relay team per relay.

Please report to the bullpen for ALL running events, located at the north end of the field near the concession stand. The 300 hurdles and 200 will be clerked at their start lines.

All contestants for field events should report to each of their areas of competition ready to compete, at least 10 minutes before the event is to start. For the shot and discus, the athletes will be able to use their own implement.

Athletes are to stay out of the infield unless competing or moving to the bullpen area. Tents may be set up around the perimeter of the track.

Batons will not be furnished. Blocks will be supplied but you are welcome to bring your own.

Our exchange zones reflect the new NFHS exchange zone regulation change to 30 meter exchange zones. In relays with legs of 200 meters or less, the outgoing runner, while waiting for the baton, must be positioned entirely inside the 30 meter exchange zone.

¼ inch spikes on the track and jumping surfaces.

Restroom facilities are located under the stadium on the home side of the field. We will also have the restrooms open on the backstretch for convenience.

There will be no dressing/locker room facilities available.

Scoring for the meet will be 10-8-6-4-2-1.

Full concessions and Bath Invitational t-shirts will be available.

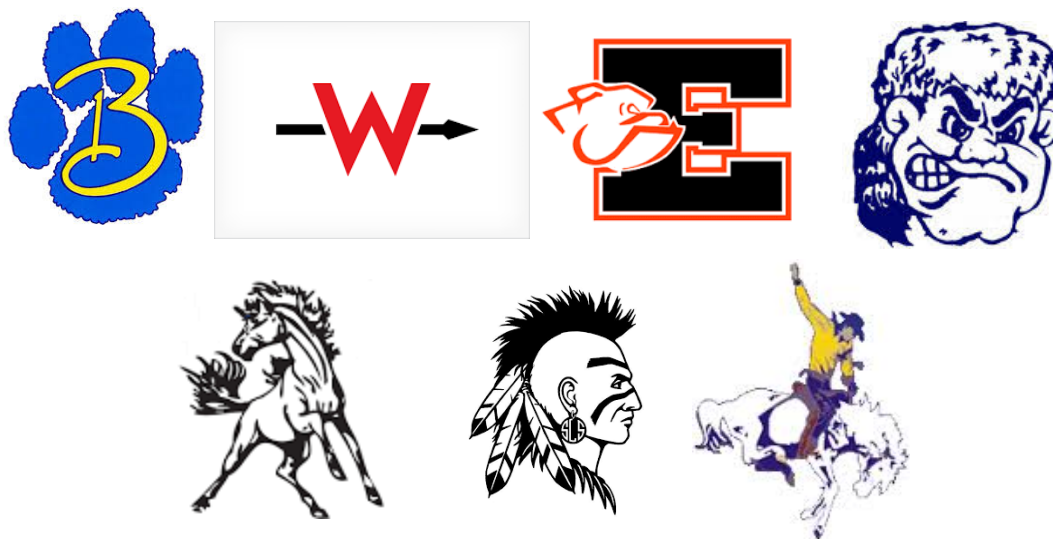

Coaches will be provided meal tickets that can be exchanged at the concession stand.

Results will be posted to Baumspage at the conclusion of the meet, posted during the meet at a central location, and announced. Awards will be compiled and sent home with the coaching staff, please send someone to the press box at the conclusion of the meet for your awards.
