General Overview of Procedures

Per the Ohio Department of Health Order found [HERE](#), the following protocols will be utilized during athletic events hosted by Triway Local School District. Specific guidelines and requirements must be met for competition to occur. Each sport has individual instructions, but the following general requirements apply to all sports. All guidelines will be enforced by the Compliance Officer(s).

General Requirements

- Every player, coach, staff member, and spectator is required to wear a mask when not actively participating in an event. The only exceptions are outlined in the Ohio Department of Health Order.
- Social distancing must occur. Families and household members are permitted to sit together, but must have 6 feet of separation between them and another family or group.
- All athletes, coaches, staff, athletic trainers, media, and spectators will perform symptom and temperature checks prior to arriving for the athletic event. Anyone with a temperature over 100.4 F is required to stay home, or be pulled from competition. They must be symptom and temperature free, without fever-reducing medication, for 24 hours before being allowed to return to activity or spectating.
- Modified arrival and departure procedures will be utilized. Please follow all signage indicating entrance and exit locations.

Track and Field Requirements

[Click Here for OHSAA and NFHS Modifications and Recommendations](#)

- Each team and fans will enter and exit through the main gate.
- Tickets will be sold at the main gate. Only adult tickets are available. Bring exact change whenever possible.
- Locker rooms will not be open. Each athlete and coach must come dressed and ready to compete.

#theTriwayDifference

- When not in active participation, each athlete must have a mask or gaiter covering their face. Coaches and spectators are required to wear one at all times.
- Bathrooms will be open.
- The concession stand will be open with pre packaged drinks and food.
- Visiting schools will bring their own water and water bottles. None will be provided outside of the concession stand.
- An ice station will be available. The athlete or coach will put on the provided disposable gloves and get their ice.
- For multiple team meets, a marked area will be utilized for the different schools. When not in active participation or warming up, the student athletes must stay in that area, masked, and separated at least 6 feet apart.
- We ask that each school/coach monitors their athletes when not in competition. They will need to stay in their designated area and not congregate with other schools and athletes.

Per the Ohio Department of Health Order, athletic facility capacities are limited to 30% of our maximum capacity. Seating arrangements are as follows;

High School Ticket Prices

PAC-7 Meets	\$7.00	Gate sale only (6 Tickets to Family Members)
Triway Invitational	\$7.00	Gate sale only- Roster Verification (2 Tickets to Parents)
