

2021 SPRING SPORTS COVID GUIDELINES

TEAM PROTOCOLS

- Athletes should be masked when not actively participating in the contest.
- Coaches and support staff should be masked at all times.
- Coaches are responsible for the health screening of their own teams.
- Water will be provided for contests, but athletes should bring their own water bottles, towels, and sanitizer.
- Athletes not actively participating in competition should practice social distancing (dugouts, camp sites, etc...)

FAN PROTOCOLS

- **Face coverings** must be worn at all times
- Spectators are expected to practice **Social distancing** with those from outside of your family group. Family groups sitting in the bleachers must sit 6' apart. Lawn chairs are encouraged to keep your family group separated from others.
- Spectators must complete a **self-assessment of symptoms** and anyone experiencing symptoms must stay home
- Upon conclusion of the event, please **exit the facility immediately**. There will be no congregating.
