Prelims: In the 100/110 M Hurdles, 100 M Dash, and 200 M Dash, the heats have been seeded evenly based on submitted times. Where three prelim heats are required, the top two from each heat plus the next two fastest times will advance. If four heats are required, then the winner from each heat plus the next four fastest times will advance. In the 200 M Hurdles and 400 M Dash, athletes were placed into two or three heats, run from slower to faster, based on submitted times. However, anyone can score from any heat.

Relays: The 400 M Relay, the 800 M Relay, and the 1600 M Relay were seeded into slow and fast heats, based on submitted times. However, any team can score from either heat.

Field Events: Each athlete will get 4 efforts, no finals. Flights were seeded from worst to best.

Facilities: We have an 8-lane all-weather track, with all-weather surfaces on the jumping surfaces as well. Please use 1/8 or 1/4 inch spikes. Tennis balls should be used to mark the jumps and relays. Please no tape. Use your own batons. We will provide starting blocks, or you can bring your own.

Admission: Admission will be \$5 for adults, \$3 for students.

Buses: Please have buses park along the outer edge of the large parking lot at the east end of the school.

Concessions: We will have our concession stand open.

Scoring: We will score 8 places, 10-8-6-4-2-1

Three team trophies will be given in each gender, plus a combination trophy to the top boys and girls combined score. Awards can be picked up by the coaches in the press box at the conclusion of the meet.
