## IVC Seeding Criteria

League criteria for seeding the IVC. This will be the pre-seeding and will allow the tournament director to put the tournament together prior to the tournament date. Any last minute adjustments can be made during the coaches meeting.

1. Previous Year State Placer (In order regardless of division)
2. Previous Year District Placer (In order regardless of division)
3. Returning IVC Champ Same Weight Class
4. Returning IVC Champ Different Weight Class
5. Returning IVC Runner-Up Same Weight Class
6. Returning IVC Runner-Up Different Weight Class
7. Overall Record (10 match minimum, with .500 or better). **\*\*All wrestlers need to have an updated record submitted.\*\***
8. Challenges are permitted based on head-to-head competition and common tournament placement. (All challenges will result in coaches vote or coach conceding a seed)

Freshman Criteria: Special freshman criteria not needed. By this time of season, a freshman would have enough matches to be considered under the "overall record" criteria. The previous seeding criteria, if met, would out-weigh any Middle School accomplishments.
