

Coaches,

Attached you will find a general information sheet about the 53rd Annual Licking Heights Wrestling Invitational. This should give you a run down on the plans for the tournament. If you have any questions, feel free to contact tournament director Bo Ramsey at r Ramsey@lhschools.org.

The tournament will run as a double elimination, bracket style tournament. We will be wrestling at the high school located at the corner of Summit Road and Cable Road; 4101 Summit Road, Pataskala, OH 43062. Please have your tentative lineup completed on baumspage.com no later than 10pm Thursday January 16th, 2025. Extras are allowed to fill brackets.

Weigh-ins will begin at 7:00 am with a coaches meeting at 8:30 am and wrestling starting at 9:00 am. You will need to submit a copy of your Alpha Weigh In report at weigh ins and will need to bring your official weigh in form as well.

Please encourage your wrestlers and fans to keep all food and drink out of the gymnasium. There will be room in the cafeteria for team tables. Our cafeteria is directly off of the gymnasium making it easy for the wrestlers to keep their food out of the bleachers. We have been told that you are NOT allowed to bring crock pots this year. There will be limited locker space available, please encourage your wrestlers to bring a lock if using one of our lockers. All wrestlers who are in a bracket to start the tournament will be admitted free of charge. Extras who are not wrestling will have to pay.

We thank you for your participation in our tournament. If you have not yet paid your entry fee, we would appreciate having it by the time the tournament begins. We look forward to seeing you on January 18th.

Thank you,

Bo Ramsey
Tournament Director
