

IMPORTANT - Cost of admission for this event is \$15 for all spectators. This is not a Bishop Watterson decision, this is an OHSWCA decision. Please make sure you publicize that detail to your parents, and fans that are coming to the event before Saturday so there are no angry surprised spectators giving us a hassle at the gate of admission.

This dual tournament will be run using the baumspage.com dual tracker app. Our cafeteria will be open for food setups. No crock pots or elaborate setups are allowed. Concession stand will be open throughout the event.
